# Barb Roose Recommendations

Barb spoke at our Women's Fall Kick-Off Event for our small groups. She was engaging, humorous, and so authentic in her presence and message. God's Word was her central focus, and she was not afraid to challenge us and bring us out of our comfort zone. As a result, we have a lot of women involved in our fall small groups, doing the Joshua study.

-Rebecca Perkins, St. John's Mennonite

Her passion for God, and her obedience to speaking His truth was powerful. She was great to work with before and after the event. She was confident in how she carries herself, but humble and personal in dealing with the lives of those she served. A few of our leaders have picked up her materials and have stayed in touch, as they have been spiritually impacted by the truth of God that Barb has shared. A servant of God, full of hope and truth.

-Rex Stump, Fellowship of Christian Athletes Area Director

Barb made the biggest impact of any speaker at our full day leadership conference. She was able to connect with our audience of young professionals in a dynamic way and months later they are still talking about her! Her message was tailored perfectly for our audience and challenged them to make the most of the day.

-Sara Swisher, Executive Director of EPIC Toledo

Barb lead our "Courageous Women" conference and was an absolute delight. She has the power to connect with all women and energize them. She told engaging stories that helped us all see how God works and is present in our every day lives. We learned how to let worry stop conquering our fears and how to lead our best lives

-Tricia Fox, Marietta First United Methodist Church

She used to Word of God to bring women before the throne. She captivated the audience and when she was finished, you knew you had heard what God wanted you to hear. I would recommend her to any audience.

-Catrina Hubbard, Rise Up Conference

Barb was a keynote speaker at our women's conference just this past weekend. She was a pleasure to work with, so flexible and positive. When Barb got up on the platform to speak she just came alive. She connected with the women and shared a powerful message. I highly recommend Barb as a speaker for your event.

## Winning Your Worry Battle

Do you or someone that you know struggle with worry or anxiety? If you've been stressed out during the day or pacing the floor sleepless at night, the good news is that God wants you to WIN your worry battle!

By taking an in-depth look at Joshua 1 as well as Jesus' example in the New Testament, Barb shares two practical tools that work to equip your audience to win their worry battles so that they can experience God's power, peace, provision and promises in their every day life - no matter what trials or challenges they are facing.

## The Power of Surrender

Is there something in your life that you've been trying to control, but you can't? No matter how hard we try to protect what we love, fix what's broken or try to keep everything on track, there are just some things we're powerless over. What do we do, especially when so much is on the line?

Barb teaches powerful lessons from Jesus' time in the wilderness to provide powerful principles and practical next steps to help you experience the peace that comes from letting go and living like Jesus! On the other side of surrender, we discover God's great adventure of faith and the opportunity to use our lives experience to make a difference.

## Standing Together in Tough Times (Race, Grace & Gospel)

Christians are more divided than ever. But, it doesn't have to be that way!

In this powerful talk, Barb teaches about Nehemiah's quest to rebuild the wall around Jerusalem. In the midst of powerful opposition, Nehemiah teaches us ten principles of unity that can equip you to experience Jesus' dream of unity for the church today. If you want to create a biblical, gospel-centered about unity and the gospel, this message is for you!

## God, Give Me Patience...NOW!

Have you been praying for God to give you patience? Is there a breakthrough, renew or rescue that you've been waiting for, but it hasn't happened yet?

Using Hannah's story in 1 Samuel, Barb teaches the Patience Path, which includes practical next steps to transform your waiting journey from frustration and bitterness to faith and blessing so that you can wait with peace and purpose instead of in pain or burdened by your problems.

## Taking Care of You

Do you take care of everyone before taking care of yourself? Do you feel guilty about taking a day off or push yourself past exhaustion on a regular basis? It's time to embrace that selfcare is not selfish!

No matter the age or stage of your audience, women will enjoy Barb's biblical teaching on self-care as well as the fun and practical tips she offers to equip women to live for the glory of God, benefit others, and to bless themselves!

# BONUS! Women's Ministry/Small Group Leader Workshop

Do you want more women to experience your Bible studies?  
Are you looking to attract new volunteers or recruit new leaders?

“The presentation left me wanting more – more info, more training, more insights into reaching women for Jesus. Thanks for having a well-organized, informative, and inspiring workshop.”

-Amy E.

When you book me for a women's conference or retreat, I would love to provide a BONUS women's ministry workshop session for your women's ministry leaders or small group leaders. I love equipping leaders to love and serve others - and it is a joy for me to invest in local churches everywhere!

For 14 years, I served on staff at my local church. One of my roles as Executive Director of Ministry for our five campuses and 9,000 attendees was developing training resources and curriculum for our 400+ small group and Bible study leaders. I'm passionate about teaching leaders how to lead others well, how to recruit new leaders and grow spiritually themselves.

I offer three workshops that focus on increasing Bible study attendance, attracting and retaining volunteers and connecting with the next generation. I've facilitated these workshops at LifeWay Christian Stores, churches and during leadership events.

**Workshop #1: Creating Connection for Women at Every Age and Stage**

**Workshop #2: Beautiful Bible Studies: Draw Women In & Keep Them Coming Back**

**Workshop #3: Filling the Seats: Successfully Promote Your Next Women's Event**

Let's talk about how to add a 90-minute workshop either before, during or after your event. I would love to add value to the leaders who serve your church so well - and this is a great event to invite new or prospective leaders.

Just let me know which workshop you'd like for me to facilitate for your leaders. Handouts are available for duplication.
