*Lord, help me not to worry about the words, but address you with the language of the heart . . .*

# Welcome to Your Prayer Board Kit!

Years ago, I took a stack of blank notecards and began writing my prayers. It was a desperate season of life, and I knew I wouldn't survive it unless I became radically committed to talking to God more often and consistently. As a visual person, it helped when I taped those cards to the wall in my prayer closet. Writing out my prayers and different Bible verses helped me concentrate more when praying. I could keep my commitment to praying for friends and recording my answered prayers helped me remember God's faithfulness. When I prepared to launch my Matthew: Pray Like This Bible study, I remembered my prayer board and decided to create a beautiful prayer board kit for you.

This prayer board kit is a great way for you to add a visual and creative element to your practice of prayer. This download includes blank prayer cards, tips on how to pray for others, beautiful encouragement cards, and a gratitude list. You can print these cards on paper or light card stock. You can mount the cards on a corkboard or a pinboard or tape your cards directly to a door or a wall. IDEA: Host a Matthew: Pray Like This Bible study at your church or with friends, and print a prayer board kit for each woman as a small gift!

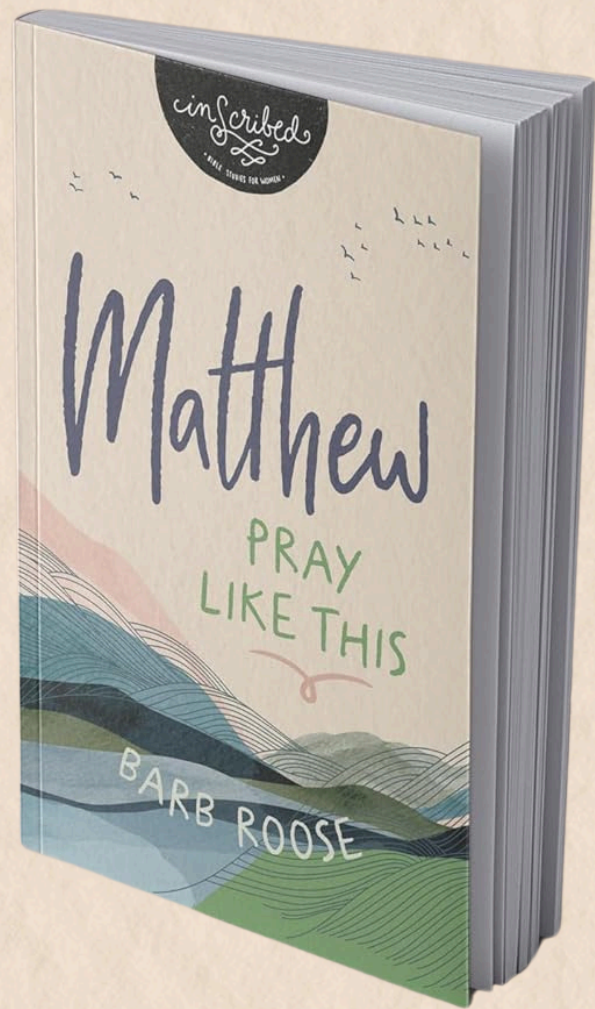

**Your prayer board offers a practical and tangible way to strengthen your commitment to prayer. Enjoy creating your prayer board! I'd love to see it! Email a picture to me at [barb@barbroose.com](mailto:barb@barbroose.com).**

*Enjoy, Barb*

# Praying for Someone's Salvation:

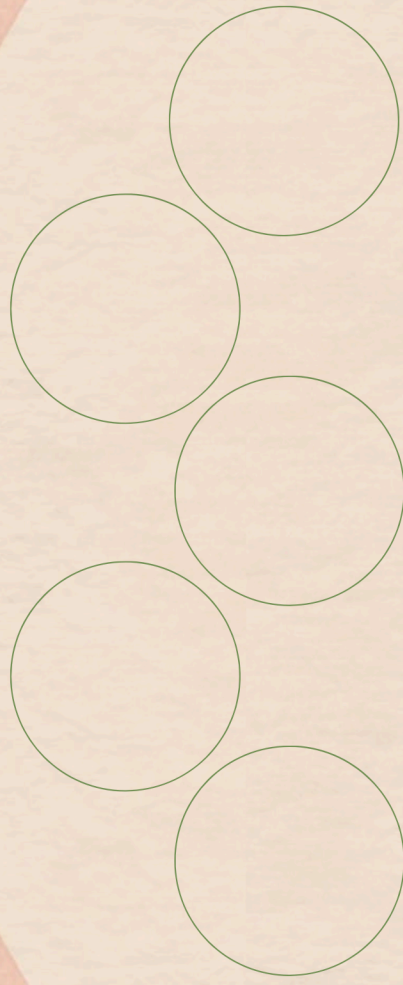

Write one name in each circle of someone who needs salvation. There is a prayer on the back of the card and some suggestions to encourage them toward salvation.

Suggestions to encourage them in their faith journey toward God:

1. Remember that God is always at work, even when you can't see it.
2. Invite them to church.
3. If appropriate, text them periodically and let them know that you care about them and you're praying for them.
4. Ask them: "How can I pray for you today?"
5. If appropriate, meet them for coffee.
6. Be prepared to share where you've seen God working in your life or how God helps you with struggles.
