Barb Roose Recommendations

It was a joy to work with Barb! From the beginning she was extremely organized, which helped me in having all the information I needed to get approval from our event leadership team. Barb was a true partner with us for this Women's Conference, taking time to chat with ladies, share meals with the emcees, and fully engage in the experience with the guests. We would most certainly have her back.

-Lydia Marvel, Gull Lake Ministries Women's Conference

Our entire Women's Ministry team thoroughly enjoyed working with Barb. She was prompt in her response during our planning process. She communicated effectively and was easy to work with. She tailored her message to our women and our theme for the event. She is an engaging and entertaining speaker. Her love for God's Word and ability to teach it inspired our women to seek out more opportunities for Bible Study in our ministry.

Michelle Raby, Special Event's Coordinator, Hope Church | Memphis, TN

Barb is professional and timely and her content is on point. She recorded a virtual presentation with us and her engagement on the screen was dynamic. Each audience member could feel she was speaking directly with them.

Erin Gerster, Event Manager, Compassion International

We invited Barb back to speak at our full-day conference for emerging leaders because she is so dynamic! Not only was she well received by the audience she was easy to work with, personable and spent time listening to the other speakers and interacting with the attendees. Her high energy and enthusiasm were amazing. You won't be disappointed when hiring Barb for your next event.

Sara Swisher, Vice President Talent & Workforce, Toledo Chamber of Commerce

Barb was a keynote speaker at our women's conference just this past weekend. She was a pleasure to work with, so flexible and positive. When Barb got up on the platform to speak she just came alive. She connected with the women and shared a powerful message. I highly recommend Barb as a speaker for your event.

Taking Your Stress to God Instead of Taking It Out on Others

Do you long for a better way to handle your stress so you don't take it out on the people you love?

Barb teaches the basics of how and why God created us with a stress response and the factors that lead to a lifestyle of chronic stress. Using Paul's teaching on spiritual growth, Barb provides insight into God's mighty weapons to fight stress and practical tools to invite God's supernatural power to break chronic stress strongholds.

Stop Getting In the Way Of Your Prayers

Everyone experiences seasons of stress, but you aren't condemned to a lifestyle of constant chronic stress. Yet, how many of Christian women are stuck in constant stress and feeling discouraged in their Christian life.

If we believe that Jesus came to bring us freedom, then it means that you can learn to live free from the spiritual problem of chronic stress. Barb teaches from Jesus' words in Matthew 11 and equips you to experience the unforced rhythms of grace so that you can experience God's strength and peace.

The Power of Surrender

Is there something in your life that you've been trying to control, but you can't? No matter how hard we try to protect what we love, fix what's broken or try to keep everything on track, there are just some things we're powerless over. What do we do, especially when so much is on the line?

Barb teaches powerful lessons from Jesus' time in the wilderness to provide powerful principles and practical next steps to help you experience the peace that comes from letting go and living like Jesus! On the other side of surrender, we discover God's great adventure of faith and the opportunity to use our lives experience to make a difference.

Winning Your Worry Battle

Do you or someone that you know struggle with worry or anxiety? If you've been stressed out during the day or pacing the floor sleepless at night, the good news is that God wants you to WIN your worry battle!

By taking an in-depth look at Joshua 1 as well as Jesus' example in the New Testament, Barb shares two practical tools that work to equip your audience to win their worry battles so that they can experience God's power, peace, provision and promises in their every day life - no matter what trials or challenges they are facing.

Taking Care of You

Do you take care of everyone before taking care of yourself? Do you feel guilty about taking a day off or push yourself past exhaustion on a regular basis? It's time to embrace that selfcare is not selfish!

No matter the age or stage of your audience, women will enjoy Barb's biblical teaching on self-care as well as the fun and practical tips she offers to equip women to live for the glory of God, benefit others, and to bless themselves!
